

KEER AMERICA, LLC FORT MILL, SOUTH CAROLINA

As the lead designer on the design/build team with Moss Associates, LLC, Carlisle Associates was instrumental in bringing the Chinese company Keer America to Fort Mill, South Carolina. This 230,000 sf facility is the first new textile spinning plant to be built in South Carolina in several decades. Carlisle Associates was selected to do the

Architectural, Structural and Civil master planning for the site.

As planned, the site will contain over 1,000,000 SF of textile production facilities on the 130 acre site.
