

UNION COUNTY SHELL BUILDING UNION, SOUTH CAROLINA

Carlisle Associates is proud to be the A/E of Record for the design of the new Union County Speculative Building. In 2014, Union County intends to build a 60,000 SF industrial building, expandable to 165,000 SF, to assist in attracting a heavy industrial client. The scope of work includes conceptual planning, site development, structural design, bidding and oversight of construction of the facility. The building must have curb appeal, and must be designed to be highly flexible in adapting to various types of industry layouts.
